Journey of Faith Christian School Covenant

Journey of Faith Christian School is a school with a Christian Worldview, We prefer that at least one parent has experienced salvation through the Lord Jesus Christ.

1. I agree to purchase curriculum necessary for the teaching of my children in my home. I will receive guidance from advisor if necessary.
2. I agree to maintain a study plan/ schedule for each child during the school year. This plan will be made available to the school administrator / representative upon request.
3. I agree to maintain an attendance record/report for each child showing a minimum of 130-180 days of attendance.
4. If my child is in high school I agree to submit one transcript each year, by June 15. These report forms will be provided in master copy form by the school administrator, if needed. In elementary and middle school if you do not grade, I need a statement letting me know you do not grade.
5. I agree to maintain files for each child in my homeschool. These files will contain, attendance report, progress report and curriculum completed each year.
6. I agree to contact school administrator before withdrawing from school.
7. I understand there is a registration fee of \$125 and there is no refund once the enrollment/registration payment or partial payment has been made.
8. I understand membership with Home School Legal Defense is strongly encouraged for my own protection; it is available at a low monthly rate.
9. JOF Christian School agrees to maintain communication and support with the family.
10. JOF Christian School agrees to provide a newsletter on a monthly basis with helpful information on home schooling, if needed. Activities that are planned will be listed in the newsletter. E-newsletters will be sent if e-mail is available.
11. JOF Christian School agrees that at least one meeting a year, as needed, will be called and members are expected to attend.
12. I understand if the time arises and my child(ren) need to return to public school they will be given a test. The majority of the time the child(ren) will be placed in a grade lower than expected. This has nothing to do with the church school or the home school covering; it is a public school policy they go by.
13. I agree to not hold Journey of Faith Church School, Journey of Faith Cover School, Cynthia & Toney Hammontree, Faith Baptist Church, or anyone associated with the church and church school liable for any academic issues, accidents, or anything else that may arise.
