Journey of Faith Christian School Covenant

Journey of Faith Christian School is a school with a Christian Worldview. We prefer that at least one parent has experienced salvation through the Lord Jesus Christ.

1. I agree to purchase curriculum necessary for the teaching of my children in my home. I will receive guidance from an advisor if necessary.
2. I agree to maintain a study plan for each child during the school year. This plan will be made available to the school administrator or representative upon request.
3. I agree to maintain an attendance record/report for each child showing a minimum of 160 days of attendance.
4. If my child is in high school, I agree to submit one transcript each year, by June 1. These report forms will be provided in master copy form by the school administrator, if needed. In elementary and middle school if you do not grade, I need a statement letting me know you do not grade.
5. I agree to maintain files for each child in my home school. These files will contain attendance report, progress report and curriculum completed each year.
6. I agree to contact the school administrator before withdrawing from school.
7. I understand there is a registration fee of \$150 and there is no refund once the enrollment/registration payment or partial payment has been made.
8. I understand membership with Home School Legal Defense is strongly encouraged for my own protection; it is available at a low monthly rate.
9. JOF Christian School agrees to maintain communication and support with the family, as needed.
10. JOF Christian School agrees that at least one meeting a year, as needed, will be called and members are expected to attend.
11. I understand if my children need to return to public school a test will be administered by the public school. Most of the time the children will be placed in a grade lower than expected. This has nothing to do with the church school or the home school covering; it is a public-school policy they go by.
12. I agree to not hold Journey of Faith Church School, Journey of Faith Cover School, Cynthia & Toney Hammontree, Faith Baptist Church, Lighthouse Baptist Church, or anyone associated with the church and church school liable for any academic issues, accidents, or anything else that may arise.
13. If attending the school, I understand it is donation-based tuition. I agree to pay weekly, bi-weekly, or monthly.
